□ **Governing:** the person/people in power

□ **Governed:** citizens within country who hold no place in the government

Demo- *people or society*

Dictate *to give and order*

Theo- *"god"*

Mono- *one*

Democracy

*Government run by a leader
decided by its citizens*

Democracy

- ***Government lacks some power, power resides in its citizens***
- ***citizens have most direct access to government***

Democracy

- *Power is attained by elections*
- *The governed determine who their leaders are*
- *Has the most rights of any government*

Dictatorship

*Government run by a leader
decided by force*

Dictatorship

- ***Dictators will use military force to attain power***
- ***rules with absolute force***

Dictatorship

- *The dictator has total control over those being governed*
- *citizens have no rights*

Theocracy

Government run by a leader who holds power within the religion

Theocracy

- *relies on citizen's religious beliefs to keep in power*
- *Rights may be limited, especially freedom of religion*

Theocracy

- *Relies on the religion of its governed to keep power*
- *The governing say they were divinely chosen (they were chosen by God)*

Monarchy

*Government run by a leader
decided by a family*

Monarchy

- ***relies on the loyalties to the royal family & king/queen***
- ***The governing monarch inherits power***

Monarchy

- *The amount of liberties citizens have depends on how much power the king or queen has*
